

Chairmen: Osama A. Ibrahim, MD | Craig Walker, MD

Dear Colleagues,

We are pleased to be able to continue the NCVH Florida program in 2021. This year's program will see many changes, but will continue to provide excellent accredited education to our healthcare providers.

We begin with a new Chairman. Dr. Arthur Lee has decided to step aside for the time being, but will continue to participate in NCVH Florida. We are pleased to introduce Dr. Osama Ibrahim of Ashchi Heart & Vascular Center in Jacksonville, Florida. Dr. Ibrahim is the previous Chairman of NCVH Minneapolis and is a long-time friend and leader of NCVH. With this change comes the meeting location move. NCVH Florida 2021 will be held in Jacksonville, Florida, at the Sawgrass Marriott Golf Resort & Spa, on March 27th.

Another change NCVH Florida will experience is the offering of in-person and livestream registration. Our in-person registration will be limited due to COVID-19 restrictions, and we can assure you that the livestream experience will still include the same stellar accredited education.

Sincerely,

Your NCVH team
