Exhibit Rules and Regulations

The exhibit hall is an important extension of the education offered at NCVH. It is an opportunity for healthcare providers to learn about the most up-to-date products and services available. NCVH reserves the right, even if an application has been approved, to refuse exhibits, curtail activities or close exhibits or parts of exhibits that do not, in NCVH's sole determination, comply with its rules and regulations.

By submitting an application to exhibit and sponsor the NCVH annual meeting, companies agree to the following:

Policies

New Cardiovascular Horizons Foundation, a 501(c)(3) nonprofit organization, is proud to present the 2026 New Cardiovascular Horizons (NCVH) 27th Annual Conference. We are committed to providing quality, unbiased medical education and follow all ACCME, AdvaMed and PhRMA guidelines.

Items listed in this industry prospectus, including exhibit booths, are considered promotional, marketing and/or advertising for participating companies and organizations.

We sincerely appreciate all educational grants received, however, grant funding can only be used for educational expenses. ACCME policy states educational grants (commercial support) cannot be used for anything of promotional value, which includes the items listed in this industry prospectus.

We strive to make NCVH a valuable investment. Flexible packages are available to assist supporters in reaching their target audience and marketing goals.

Guidelines

- Signed application and deposit required to reserve space
- Full payment must be received prior to move-in
- Exhibit required to qualify for additional support opportunities
- Final attendee list will NOT be provided to exhibitors who move out prior to published move-out time

- Send all ads to exhibits@ncvh.org by publish deadline (May 1, 2026).

Eligibility

- All products marketed and promoted that are regulated by the Food and Drug Administration (FDA) must meet FDA guidelines or be FDA approved.
- Industry sponsors who, in the sole opinion of NCVH, conduct themselves unethically may be dismissed from the meeting and exhibit area without refund or may be prohibited from attending and/or exhibiting in the future.

Cancellation or Reduction of Exhibit Space

If an industry sponsor wishes to cancel or reduce its exhibit space at the NCVH conference, notification must be given in writing to: **Brittany Alexander · 301 Mecca Street · Lafayette, LA 70508 · exhibits@ncvh.org**

1. NCVH is committed to holding its Annual Conference in New Orleans May 26 - 29, 2026. All NCVH 2026 educational content will be archived and presented as enduring material.
2. If an industry sponsor cancels or reduces its commitment after April 10, 2026 the industry sponsor will pay as liquidated damages 100% of the total contract fees.
3. If an industry sponsor fails to pay 100% of the total contracted fees by April 27, 2026 NCVH will cancel the sponsor's participation and is free to assign the released space and promotional opportunities (if applicable) to other companies. Cancellation of participation does not release the industry sponsor from its obligation to pay 100% of the total contracted fee.

No-Show Policy

Any exhibit unoccupied by 6 a.m. on Wednesday, May 27 may be regarded as a "no-show." The industry sponsor will have been deemed to have canceled the exhibit space contract, and, as such, the exhibitor will pay as liquidated damages 100% of the total contracted fees. All freight will be removed from the exhibitor's booth and returned to the loading dock at the industry sponsor's expense, and NCVH will be free to assign the space to other exhibiting companies or utilize the space at its discretion.

Miscellaneous

Once signed by the industry sponsor and NCVH, the application and contract is irrevocable, and the rights of NCVH under this contract shall not be deemed waived except as specifically stated in writing by an authorized representative of NCVH. The industry sponsor further agrees that on acceptance of this agreement by NCVH, with or without appropriate or timely payments of any and all fees, this agreement shall be binding and enforceable in accordance with its terms. The Contract will be binding on the exhibitor's and NCVH's successors. If any term, clause or provision hereof is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the validity or operation of any other term, clause or provision, and the invalid term, clause or provision shall be deemed to be severed from the agreement.

Applicable Law

Any claim or cause of action arising out of this agreement shall be governed exclusively by the law of the State of Louisiana without regard to its conflict of laws principles. Any claim or cause of action arising under this agreement shall be adjudicated exclusively in the local or federal courts of State of Louisiana. The industry sponsor hereby submits to the personal jurisdiction of the courts located in the State of Louisiana.

Amendments

These Rules and Regulations may be amended at any time by NCVH, and all amendments so made shall be binding on industry sponsors equally with the original rules and regulations.

Indemnification

Each industry sponsor, in making application for participation, agrees to protect, indemnify and hold harmless the following parties (including, but not limited to): New Cardiovascular Horizons Foundation; M3Meet, LLC; The Roosevelt Hotel, New Orleans; Freeman and their officers, directors, agents, contractors and employees from any and all claims, liability, damages or expenses asserted against them or incurred by them as a result of, or in connection with, any loss of or damage to property, or injury to persons resulting from, arising out of or in any way connected with the negligence, wrongful acts of or breach of contract by the industry sponsor or its agents, servants or employees.

Liability and Insurance

NCVH shall in no event be liable to an industry sponsor for any lost business opportunities or for any other type of indirect, consequential or other type of damages alleged to be due from a breach of this contract or other arising under this agreement or in connection with NCVH 2026. It is understood and agreed that the sole liability of NCVH to the industry sponsor for any breach of this contract or for any other cause of action under any theory of liability arising under this agreement or in connection with NCVH 2026 shall be limited to refund of all amounts paid by the exhibitor or NCVH pursuant to this contract as an exclusive remedy.

The industry sponsor shall, at sole cost and expense, procure and maintain through the term of this contract comprehensive general liability insurance against claims for bodily injury or death and property loss or damage occurring in or upon or resulting from the premises leased by NCVH.

NCVH will bear no liability for personal injuries, whether suffered by an industry sponsor, its employees, its contractors, agents or business invitees. NCVH will also assume no liability for loss or damage to the property of an exhibitor, its employees, its contractors, agents or business invitees, regardless of the cause, unless such injury or damage results from, or is caused directly or exclusively by, the negligence or wrongful acts of NCVH.

Non-Discrimination Policy

NCVH is committed to hosting a tolerant and diverse conference where everyone feels welcome, thereby prohibiting discrimination based on age, race, color, creed, religion, ancestry, disability, national origin, sex, gender identity, gender expression, sexual orientation, marital status, veteran status, and any other basis protected by federal, state, or local law.

Use of Exhibit Space
